		Meeting #	date	time	duration (hh: mm:ss)	notes Introduction of team members, getting to know each other, majors and	
		1	11.10.2022.	20:00-20:40	0:40:00	hobbies , football talk, tabletop games, gaming, rock climbing, communication platforms discussion	
						meeting with supervisors, first questions Supervisors (teachers) are not present on meetings with customers, they are not engaged in development only in process	
						First presentation: (one or 2 presenters, from each side) Our team (members, competences) show motivation, broad VISION of the project (no much details)	
						Organisation of our team (at least show that we talked about it) AP: upload photos on DSD fer page of our Team,	
						Choose Project owner, contact customer ASAP, 2 team members for first meeting, Come up with questions for customer (inspect requirements document from	
						SCORE, explore CodeDefenders project) Define way of working for our team (Elements of scrum, roles) Have a Teambuilding	
						Sprint 1 will be for requirements and backlog build-up	
		2	12.10.2022.	19:00-19:30	0:30:00	State which project we are working on when iviting to Zoom meetings, E-mail for only one or 2 questions Talking about skills, how we would like to contribute to this project.	
	Sprint 0	2.5	12.10.2022.	19:30-20:15	0:45:00	programming languages, experience; discussing and choosing SCRUM roles; discussing next steps Way of working is established	
						quick Jira show-around Meetings planed: Backlog grooming every Tuesday 21:00h	
						Sprint planning every record tuesday after backlog grooming Dailys 2-3 times a week, max 15min Sprint review and retrospective after review Mondays after Sprint ends	
						Plan for making and presenting first presentation AP:	
						Ask if supervisors agree with discord for meetings Send them invitation to Jira	
						Project vision What is our project about? CodeDefenders, Robo Tournament? Motivation?	
		3	15.10.2022.	15:00-16:30	1:30:00	What would we like to achieve? How will we do it (in brief)	
						 revise and rehearse sprint 0 presentation close sprint 0 (logging last hours and exporting burndown chart) schedule our SCRUM meetings (backlog grooming, sprint planning, daily meetings, sprint reviews and retrospectives) 	
		4	17.10.2022.	21:00-22:15	1:15:00	- contact supervisors (sending Discord invitation and meetings schedule) - discussed questions for product owner - started sprint 1	
		5	18.10.2022.	21:00-22:15	1:15:00	- backlog buildup - planning tasks and next	
			20.10.2022. 23.10.2022.	21:00-22:10 10:05-10:30		Tasks refined and some broken down into subtasks and assigned to team members. Daily meeting	
						Backlog grooming meeting - discussing current state of project - what have we done so far (short) - talking about requirements and some design details that some	
	Sprint 1	8	25.10.2022.	21:00 - 23:10	2:10:00	- taiking about requirements and some design details that some requirements impose - going over requirements and converting them into user stories in jira; Daily meeting:	
	Эринс г	9	28.10.2022.	8:30 - 8:50	0:20:00	- going over our individual plans for the next few days - minimal discussion	
		40	00.40.0000	40:00 40:00	0.00.00	Daily meeting: - progress report - plans for sunday and monday (meeting on monday)	
		10	30.10.2022.	10:00 - 10:20	U:20:00	- minimal discussion Sprint #1 review and retrospective meeting: - discussion about the project - closing sprint #1	
						- sprint review; what do we have done, what needs more work - preparing sprint presentation - sprint retrospective; talking about what went good, what could be improved	
		11	31.10.2022.	19:00 - 21:10	2:10:00	upon and how will we do better next sprint Backlog grooming and sprint planning	
						 quick revision of requirements and design presentations ordering user stories in the backlog splitting user stories in smaller tasks deciding user stories and uncompleted tasks to put in the sprint backlog 	
		12	01.11.2022.	21:00 - 23:00	2:00:00	Start sprint #2 Daily meeting	
		13	04.11.2022.	08:30 - 08:45	0:15:00	- progress report - plans for following days Daily meeting	
		14	6.11.2022.	10:00 - 10:20	0:20:00	 progress report plans for the next 2 days meeting planned for monday if necessary to finish presentations 	
						Backlog grooming - updated other members of the team about analysis done for the user stories added to this sprint	
	Sprint 2	15	8.11.2022.	20:50-21:35	0:45:00	- added two new tasks in product backlog - discussion for tomorrow meeting with the customer Daily meeting	
		16	11.11.2022.	08:30 - 08:45	0:15:00	- progress report - plans for following days Meeting with supervisors: - going over our requirements, design and sprint 1 presentation	
						- going over our requirements, design and sprint it presentation Some notes i wrote: - Functional, nonfunctional and architecture constraints - For each requirement have a way of validating if requirement is done (low	
						latency example, how are we going to validate that) - Slide 44 tournament app architecture, its not really a zoom in into tournament architecture - Document design changes and requirements changes (architectural and	
		17	11.11.2022.	19:00 - 20:10	1:10:00	others (streaming component)) Daily meeting - catching up on current progress	
		18	13.11.2022.	10:00 - 10:20	0:20:00	planning merges to master Sprint review and retrospective discussion about unexpected problems with building first minimal viable	
		19	14.11.2022.	19:00-21:40	2:40:00	product - closing sprint 2 - presentation rehearsal	
						- backlog grooming - revised creating sprint backlog - creating tasks - assigning tasks	
		20	15.11.2022.	21:00 - 22:20	1:20:00	- discussion regarding delivering mvp and sprint 3 goals Started sprint 3	
						Daily meeting - progress report - plans for following days	
		21	18.11.2022.	8:30 - 8:45	0:15:00	- plan meeting with customer - plan deployment for MVP Daily meeting	
			20.11.2022.	10:00 - 10:15		- progress report	
						- progress report - plans for following days	#21, #22, #23
	Sprint 3		21.11.2022.	18:30 - 20:00		 plans for following days preparing project status report presentation backlog grooming project status report 	
	Sprint 3	23	21.11.2022. 22.11.2022.	18:30 - 20:00 21:00 - 21:50	1:30:00	- plans for following days - preparing project status report presentation - backlog grooming - project status report - assigning tasks - scheduling meeting with customer and supervisors Meeting with supervisors	#21, #22, #23
	Sprint 3	23			1:30:00 0:50:00	 plans for following days preparing project status report presentation backlog grooming project status report assigning tasks scheduling meeting with customer and supervisors 	#21, #22, #23
	Sprint 3	23 24 25	22.11.2022. 25.11.2022.	21:00 - 21:50 10:00 - 10:35	1:30:00 0:50:00 0:35:00	- plans for following days - preparing project status report presentation - backlog grooming - project status report - assigning tasks - scheduling meeting with customer and supervisors Meeting with supervisors - demo of our myp, questions about alpha presentation Daily meeting - Members stating their current progress, syncing remaining work to be done - Talked about action points for documentation revision Daily meeting - progress report - discussion on integration	#21, #22, #23
	Sprint 3	23 24 25	22.11.2022.	21:00 - 21:50	1:30:00 0:50:00 0:35:00	- plans for following days - preparing project status report presentation - backlog grooming - project status report - assigning tasks - scheduling meeting with customer and supervisors Meeting with supervisors - demo of our myp, questions about alpha presentation Daily meeting - Members stating their current progress, syncing remaining work to be done - Talked about action points for documentation revision Daily meeting - progress report - discussion on integration - planning for presentation Sprint review and retrospective - discussion regarding integration of alpha product	#21, #22, #23 [°] (2h)
	Sprint 3	23 24 25 26	22.11.2022. 25.11.2022.	21:00 - 21:50 10:00 - 10:35	1:30:00 0:50:00 0:35:00 0:20:00	- plans for following days - preparing project status report presentation - backlog grooming - project status report - assigning tasks - scheduling meeting with customer and supervisors Meeting with supervisors - demo of our mvp, questions about alpha presentation Daily meeting - Members stating their current progress, syncing remaining work to be done - Talked about action points for documentation revision Daily meeting - progress report - discussion on integration - planning for presentation Sprint review and retrospective - discussion regarding integration of alpha product - closing sprint 3 - sprint review and retrospective - going over presentation and assigning parts	#21, #22, #23
	Sprint 3	23 24 25 26	22.11.2022. 25.11.2022. 27.11.2022.	21:00 - 21:50 10:00 - 10:35 10:00 - 10:20	1:30:00 0:50:00 0:35:00 0:20:00	- plans for following days - preparing project status report presentation - backlog grooming - project status report - assigning tasks - scheduling meeting with customer and supervisors Meeting with supervisors - demo of our mvp, questions about alpha presentation Daily meeting - Members stating their current progress, syncing remaining work to be done - Talked about action points for documentation revision Daily meeting - progress report - discussion on integration - planning for presentation Sprint review and retrospective - discussion regarding integration of alpha product - closing sprint 3 - sprint review and retrospective	#21, #22, #23 (2h) Dominik missing #27
